E-mail address:			

The **mandatory** induction conversation is a tool to help clarify the expectations between you and your principal supervisor. [Find the induction conversation template here.](#)

I have had the induction conversation with my principal supervisor:	Yes	
	No, but will be held	(date)

The principal supervisor's evaluation of the candidate's potential
Resources situation (travel expenses, conference(s), laboratory facilities and similar)
Possible professional associates or research network which the applicant will be in contact with

Declarations and signatures

I declare that I

- support the outline of the project
- will inform the team below, on a regular basis, about all matters significant for carrying out the PhD study
- must follow research ethical principles that prevail within the subject area
- have familiarised myself with the University's and the Faculty's regulations and the guidelines
- must follow ethical guidelines for supervision relationships at UiO (requirements for both candidate and supervisor)

Due to GDPR, you need to confirm that you wish career development information through our official PhD Programme newsletter. This is necessary for both PhD candidates and their principal supervisor, and recommended for co-supervisors.
